All State Junior Band (Auditions) Permission Slip

The All State Band is a band made up of the best 7th, 8th, and 9th grade players in the whole state of Maryland. The students get together for three days of intensive rehearsals before performing in a public concert, usually during the Spring Music Educator's Conference. It is usually an overnight experience, with students staying in guest homes or hotels. There is an expense associated with this, but the experience of playing with such an advanced ensemble is one that they will remember for a life-time.
